

EVERY LITTLE BIT HELPS!!

Miwa Weninger, a Mortgage Advisor from Calgary, came up with the idea of taking all empty cans and bottles from her workplace to the bottle depot and donating the money towards the ATTA.

She discussed the idea with the owner of Jencor Mortgage Corporation, Croft Axsen. Croft said it was no problem. Although it may be a small start, Miwa and we believe that if other companies start doing it, it might make a difference.

THE CHALLENGE IS ON.....ARE THERE ANY OTHER PLAYERS OUT THERE ABLE TO COLLECT THE EMPTY CANS AND BOTTLES AT WORK AND DONATE THE MONEY TO THE ATTA???????

WAY TO GO MIWA!!!!!!!!!!!!
