

2011 Calgary Open was held on September 10, 2011 and was successfully completed on September 11, 2011 at the Cardel Place in NE Calgary, Alberta.

This tournament would never have been possible without the generous commitment of volunteers, who are parents of junior players; and sponsors from both Calgary and Edmonton.

The tournament committee thanked all the senior and junior athletes from the Province of British Columbia and Alberta for supporting the tournament.

Special thanks to Lai Chu Kong, Kam Kong, the volunteers at the control desk and the registration desk for their helps on the two busy days. We handled a total of 26 events and 62 trophies and cash prizes were distributed.

After two days of tough competition, here are the results. If you noticed any discrepancies, please feel free to contact the tournament chair.
