The Alberta Table Tennis Association ("**ATTA**"), Edmonton Table Tennis Club, Cyclone Table Tennis Club, Calgary Junior Table Tennis Association, and AI Ping Pong Club (collectively, the "**Parties**") are pleased to announce that they have reached an agreement to resolve the legal action and governance issues between them.

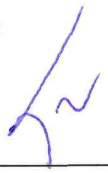

This agreement represents a shared commitment to the future of table tennis in the Province of Alberta. The Parties wish to make clear that this resolution did not arise from any finding of wrongdoing on the part of any of the Parties. Rather, it reflects a mutual desire to move beyond past disagreements and work together collaboratively and constructively for the benefit of the sport.

As part of this resolution, the Parties have agreed that the 2027 ATTA Annual General Meeting will include an open election for every position on the ATTA Board of Directors and its Executive.

The Parties are confident that this agreement will set table tennis in Alberta on a new and constructive path. The outcome of this resolution will benefit competitive and recreational table tennis players now and into the future.

The Parties thank the table tennis community in the Province of Alberta for its patience during this period and look forward to the ATTA, all of its affiliate clubs and individual members working together and continuing to serve players across the province.
